## Disclaimer

Malleny Angling Ltd (MA Ltd) is pleased to encourage young people to engage and learn the art of fly fishing.

MA Ltd is pleased to offer free fishing to any young person under the age of **16 years** of age who is accompanied by a parent or adult over the age of **21 years**. The adult must be in possession of a valid permit to fish. This offer is restricted to a **one-to-one** adult and child/youth. The free fishing is conditional on **catch and release**, no fish may be taken.

MA Ltd has respect for the safety of those engaged in fishing activities at Harlaw and Threipmuir reservoirs but has no official duties beyond that of water bailiff.

MA Ltd cannot be held responsible for the safety of any child or young person.

### Potential risks exist due to the environment, deep water and fishing tackle.

The adult permit holder must ensure the safety of the child/youth in their care and also acknowledge and adhere to the Health & Safety Policy of Malleny Angling Ltd and the associated Risk Assessments.

### Disclaimer

I confirm that I have been made aware of and acknowledge my responsibilities in respect of ensuring the safety of the child or young person under my supervision whilst at Harlaw and Threipmuir Reservoirs.

I will ensure that the young person is supervised at all times, does not fish alone and be aware of any potential injury to others.

As the permit holder, I acknowledge and accept that Malleny Angling Ltd has no responsibility of any kind or any liability, however caused, for injuries to the child/youth whilst under my control fishing at Harlaw and Threipmuir Reservoirs. This may also apply to any injury to a third party.
